Peaks Island Children's Workshop
71 Herman Avenue 766-2854

Welcome Meg. After two and a half years as Executive Director, Debbie Johnson has stepped down to become a licensed foster parent. The staff and Board of Directors are pleased to welcome Meg Springer Holdridge as the new Director. Meg comes to the Workshop with a wide variety of experience. In her latest position as the RITER (Rhode Island Teacher Education Renewal) Project Director for the Brown University Education Department, she was responsible for managing all aspects of a federally funded program designed to enhance the quality of teacher education programs in the State of Rhode Island. In addition, Meg has extensive experience in higher education guidance and counseling and in teaching English as a Second Language to young children. Meg and John's two boys joined the preschool program at the Workshop last fall; we are so happy to welcome Meg to the program, as well.

Employment Opportunity: If you are interested in becoming the "as needed" maintenance person for the Workshop, please call 766-2854 for an application. Responsibilities include mowing the lawn in the summer and various maintenance jobs as they arise throughout the year.

Thank you to all who supported us in our annual raffle both by donating and by purchasing raffle tickets.

Openings: There are a few preschool openings left for fall and room in the before and after school program for students kindergarten through grade five. If you need flexible scheduling after school, call and discuss your needs with Meg.

The **TODDLER PLAYGROUP** starts September 26th. If you are one of the new families on the Island, come visit the Workshop and meet other families with young children. If you are one of our regulars, welcome back! The playgroup meets Fridays from 10:15 to 11:00.

The **Community Food Pantry**, housed at the Children's Workshop, is open weekdays from 7:00 am – 5:00pm. If you are in need of food or personal hygiene items, please stop by.

Want to Keep in Touch All Year?

If you would like to have the STAR mailed to you starting in September, please bring or mail \$8 with your name and mailing address to the library, 129 Island Avenue, Peaks Island, Maine 04108. Checks should be made out to the Peaks Island STAR. Your subscription will run September 2008 through June 2009. We do not mail the STAR in July and August.

Peaks Island Tax Assistance

This is a particularly busy time of year for all of us as adults and children return to school, our summer friends begin to close up their cottages and our computers will be our source of communicating with our friends from away who are so important to our island community, and the island will begin to quiet down once again. Our thoughts turn to the seasons ahead and what that will mean. PEAKS ISLAND TAX ASSISTANCE is gearing up for tax season and energy season. *Our Loaf and Ladle Dinner for September 9th will feature yummy chicken recipes, salads, side dishes, and surprise desserts. Come and celebrate the beginning of the school year. If you have been before you know how delicious the food is. Dinner is served from 5 p.m. to 7 p.m., at the Peaks Island Baptist Church on Pleasant Avenue on Peaks. Adults - \$5, children - \$2.50. 100% of the proceeds go to PITA-Energy Assistance. For more information, call Cynthia at 766-0067*

Applications for Tax Assistance may be found on the Library Bulletin Board, at the Peaks Island Cafe, the Health Center or the Clergy. Applications are due by September 3., 2008, so taxes will be paid on time. If you are approved, the amount agreed upon between you and the clergy will be paid to the City of Portland or to your escrow account. Please contact one of our clergy: Beau Boyle, Shep Johnson, Desi Larson, or Ruth Williamson, (our clergy panel members) if you need assistance or know someone who does. We want to keep our friends and neighbors on our beloved island.

We have been fundraising through our many activities and we are prepared to assist friends and neighbors whose taxes increased once again and who find that they need our assistance.

Thank you all for your support and help.

ENERGY ASSISTANCE

All the weather and oil predictions are for a cold and energy expensive winter. As you may know, Peaks Island Tax Assistance began a program last winter to assist homeowners and renters with energy bills. We are continuing our program this fall. After August 21st, applications will be available at the Peaks Island Library and the Peaks Island Health Center as well as with our Island Clergy who assist with the application process: Pastor Beau Boyle, Father Fred Morse, Pastor Desi Larson, Shep Johnson, and Ruth Williamson. Approved applicants may receive up to \$300 for fuel assistance or energy assistance.

The Peaks Island Fund awarded PITA-EA a grant for \$2000 to help islanders to get energy audits for their homes. At the end of August we will begin our Audit and Weatherproofing Program. Qualified homeowners may receive help with energy audits and simple weatherproofing. Renters may receive assistance with weatherproofing. Energy Assistance has set aside funds to provide this service. The one thing we all know is that we can save on our energy bills by doing some simple weatherproofing. If this is an area where you need help, please fill out an application which can be found on the bulletin board of the Peaks Island Library and send it to PITA-EA, PO BOX 126, Peaks Island, Maine 04108.

Energy Assistance is asking for your help. We have a small list of volunteers who will assist with weatherproofing. If you would like to volunteer to help, please call Cynthia Pedlikin at 766-0067.

Once again, we are all asking ourselves, how did summer pass by so quickly? It seemed like only yesterday, the boards were taken off the windows, the tennis courts were opened and the sailboats were rigged and launched into the water. There are many, many people who made all of it happen and we owe big thanks to them!

This is also the time of year we offer a grant(s) up to \$1000 to a non-profit organization on the island. Applications will be reviewed and awarded at the October 5th Board of Governor's Meeting. Requests for grants and any additional information should be sent to Jerry Garman, T.E.I.A., Box 87, Peaks Island, Me 04108 ; or Tel. 755-5054.

Last, but not least, Kim and Steve McIsaac are looking for photos of significant past events and activities at T.E.I.A from 1912 and to today. They are seeking any photos and information about dedications of any kind, photos of Schooner Fair concerts, Cabarets, tennis champions or matches, lifetime honoary members, etc. They are especially interested in any photos of the Davies sisters and events from 1990 to present. They are currently compiling a DVD of the Trefetheren Landing area, which will be previewed at the **October 5th, Pot Luck Supper at 6pm.** Send scanned photos or information to stevo1945@maine.rr.com; or send photos to Box 93, Peaks Island, Me 04108 with a self-addressed stamped envelope to have your photos returned.

SENIOR NEWS

The Peaks Island seniors met on August 11th for their pot luck luncheon. A varried and delicious luncheon was served. Its amazing that there is always a great varriety.

After lunch Denise Macaronis laid out some of her famous prizes on a table. At first Denise wanted the people that had birthdays in August to choose a prize since there were so many more items it mushroomed into all of the months. Even though everyone received a prize there were a few selections left. Oh well I'm sure there will be another occasion to distribute the left over items. We all had fun picking and choosing the prizes.

It was noted that 4 of our seniors were celebrating their ninth decade: Jan, Millie, Edna, and Helen.

GO GIRLS!!

The September pot luck luncheon will be held on Monday the 8th at the 5th Maine Regiment Building 12:00 noon. All seniors are welcome. Come and socialize, see old friends and make some new ones.

FIFTH MAINE REGIMENT MUSEUM

P.O. Box 41

Peaks Island, Maine 04108

(207) 766-3330 • fifthmaine@juno.com

Thank you to everyone who helped to make the summer such a success – the many volunteers who helped to organize activities, the docents who staffed the museum, and the people who visited the museum and came to our programs and events. As the season starts to wind down, Dong is back at work replacing the rotten fascia boards around the porch roof and doing some other much needed maintenance.

On Saturday September 20th Phil Daligan will be hosting the final concert of the *Songwriters by the Sea* series. Guest artists will be Bob McKillop, Alan Dickson, and Doug Kolmar. Showtime is 7:30 pm. \$8 per person with children under age 10 free.

As part of our *Collections to Classroom* initiative, we held our first teacher workshop on August 8 with 8 teachers from the Portland school department in attendance. The enthusiastic group learned about our newly developed curriculum for elementary grades and went home with materials to share with their students and fellow teachers. Additional workshops are being planned for the coming school year.

Our new dvd, *Peaks Island, Maine Over the Centuries*, has been well-received with copies flying off the shelf. It's a general overview of the history of the island and contains wonderful vintage images, scenic videos, and music composed specially for the Gem Theatre. The cost is \$15 each – a great item to keep at home to show guests or to give as a gift. (The holidays will be here before you know it!)

Finally, the museum will be open Saturday and Sundays until Columbus Day from 11 am to 4 pm or by appointment at other times. With the departure of those ever present summer houseguests, September is a great time to unwind on our porch and view the exhibits inside.

Loretta Voyer Fund

The Loretta Voyer Fund was created in December of 2000 to help individuals who are undergoing chemotherapy and/or radiation treatment. The Fund will provide tickets for the car and driver plus the patient. When necessary, a car and driver can be arranged for by a group of volunteers.

This program has been endorsed by the Casco Bay Health Center and the Casco Bay Lines. The following islanders are committed to initiating and executing this project: Judy Baldi, Claire Filliettaz, Patty Gardner, Jerry Garman, Deborah Kendall, Monique Levesque, Kathleen McCarthy, Toni Muro, Judy Piawlock, and Suellen Roberts.

All islanders are invited to participate in this endeavor, be it with vehicle, as driver, companion, or with tax-deductible monetary gifts to help defray expenses. Please call Claire or Monique (766-2220) or write to: The Loretta Voyer Fund, 13 Greenwood Street, Peaks Island ME 04108. Peaks Islanders have always been a generous and supportive group. We look to one and all to help make this needed service a success.

Peaks Island School

School staff have been preparing for the 2007-2008 school year at the Peaks Island School. We are all looking forward to another school year full of possibilities and new opportunities to learn. Parents and students are invited to visit classrooms during our "Sneak Peek on Peaks" on Wednesday, September 3rd from 1:00-2:00 PM. We will meet promptly at 1:00 in the gym before heading to the classrooms. Students and their families should also mark their calendars for the Back to School Barbecue and Potluck on Thursday, September 25th.

The first day of school for all students is Thursday, September 4th. We will greet students in the playground at 8:15. When the first bell of the school year rings at 8:30 a.m. students, staff and parents will gather around the flag outside for the Pledge of Allegiance. Students will say goodbye to their parents and accompany their teachers to their classrooms to begin another great year at our wonderful island school.

What's Happening in Our Community?

To find out about upcoming community events on Peaks Island, please visit www.PeaksIsland.info. There you'll find an online Peaks Island community calendar, as well as information about various island meeting places, links to the websites of many Peaks Island organizations and a listing of Peaks Island businesses.

We'd like to add your event!

If your organization has a community event it would like listed, just fill out and submit the entry form on the website. Please note that events listed on the calendar are limited to Peaks Island community events, including those sponsored by on-island groups, benefit events, and general non-commercial meeting notices.

Health Center Benefit

Are you looking for a Peaks Island souvenir or gift for a friend or relative? A copy of "Island Cookin' on the Rocks," available at Hannigan's or take a Peak, could be just what you are looking for. It's a cookbook full of time-tested tasty recipes compiled and published by Peaks Islanders to please the palate and to benefit the Health Center.

Peaks Island Council Notes

The following are the times and places for upcoming meetings and workshops:

September 10, 2008 Workshop – 7:00 PM @ Community Center

September 20, 2008 Dialogue Meeting – 10:00 AM to Noon @ Community Center

September 24, 2008 Regular Meeting – 7:00 PM @ Community Center

The Island Council's website is: <http://www.peaksislandcouncil.info/> For those without computer access, the same information is available in the Library.

On Saturday, September 20th at the Community Center between 10AM and Noon, join us in another Open Dialogue to let the Island Council know what's on your mind and answer your questions. This is the prime opportunity for residents to meet and talk with the Island Council about their issues in an informal setting.

In September, the Council will begin looking at zoning issues raised during our research for the Zoning 101 meeting. If you would like to be considered for this, please contact Rob Tiffany at robtpeaks@yahoo.com or 766-2875. It would involve about two meetings per month for hopefully only three months. We're looking for a diverse group with interest or background in zoning issues and their implications.

Children's Programs Resume in September: **Nursery Rhyme Time** for infants and toddlers is on Wednesdays and Fridays at 11. **Story Time** for preschool children is on Fridays at 10:15.

As many of you are aware, the Youth Services Department of the Portland Public Library has moved to the new East End School on Munjoy Hill and hours have changed at the main library and some of the other branches, though not at Peaks. Since so many Peaks Islanders use other branches, you may want to get a book mark with the new hours, which are available at all locations, or check the website: portlandlibrary.com Also, a word to the wise, these changes will affect how quickly books you request from mainland branches will get to Peaks, so if you need a book by a certain time, best to ask early.

Thank You

Thank you to an anonymous donor for a generous contribution to the STAR. The STAR is funded by proceeds from the library copier, supplemented by donations from individuals and organizations. As copier use declines, donations become an important part of keeping the STAR going.

DEADLINE FOR NEXT MONTH'S STAR: Thursday, September 25, by 6pm. Please bring articles, copy ready, to the library. You may put them in the Book Return when the library is closed.
